OUR ENVIRONMENTAL AND CONSUMER CREDENTIALS

We consider ourselves to be an ethical based manufacturer whose principles are founded on the reduction of our carbon footprint, a responsible approach to both quality and the satisfaction of our clients.

In meeting the former, we achieved national recognition via the Green Apple Award, further reinforced by obtaining the ISO 9001, ISO 14001, ISO45001 & ISO 50001 standard.

Our Kitchens holds the prestigious FIRA Gold award, in recognition of quality & excellence within manufacturing.

British Made Since 1868

10-Year Guarantee

We are very confident within the quality of the kitchens we manufacture. In the unlikely event that any of the units prove defective as a result of faulty design, materials or manufacturing processes, during a period of ten years from date of purchase, We will replace or repair at our discretion, providing proof of purchase has been retained by the original purchaser. The guarantee applies to units & doors only and excludes colour fade, due to mellowing & sunlight.

Any claims must be made as soon as the fault becomes apparent by the original purchaser, through the retailer whom the product was purchased.

Guarantee covers domestic installation only.

Blum products and our kitchens...

... Why choose Blum

There are very few moving components within a Kitchen, therefore it makes perfect sense to include the very best fittings to ensure your kitchen operates as well in twenty years time, as it does the day it is installed.

This is why our kitchens offers Blum fittings as standard.

Blum are widely regarded as manufacturing the best, most innovative kitchen fittings within the industry. Founded in 1952 in Austria, Blum has grown into a €1.80 billion business trading in more than 120 countries around the world.

Blum fittings are not only meticulously engineered to perfection, they are aesthetically designed to harmonise with our furniture.

Why we use Blum... We use Blum hinges, drawer boxes and lifting mechanisms quite simply, because they are, in our opinion, the very best money can buy and harmonise perfectly within our kitchens.

Blum are masters of engineering, to such an extent that their products are ultra-reliable, hence the lifetime warranty they place upon their fittings.

What more can you demand from a product?

**“Reliability,
Strength,
Longevity
and Sleek Design”.**
Blum has it all!

Blum Lifetime Guarantee

Such is Blum's confidence with their manufacturing excellence, in the unlikely event of any defect occurring within a Blum fitting, they will replace it free of charge, regardless of its age.
